

## The Second Geothermal Dialogue: Effective financing of geothermal development - what have we learned?

2<sup>nd</sup> March 2015

Munich Re, Königinstraße 107, 80802 Munich

A meeting organized by **Climate Policy Initiative** in partnership with the **Climate Investment Funds**, kindly hosted by **Munich Re**

### List of Participants

---

This meeting is the second of a **series of Geothermal Dialogues** that **bring together major actors involved in the financing of geothermal development to enable a global sharing of experiences and to explore emerging lessons in the quest to scale up effective geothermal finance**. Building upon the [First Geothermal Dialogue](#), held in Copenhagen on October 24<sup>th</sup> 2014, the meeting will assemble countries receiving support from the CIF for geothermal projects and host countries involved in other ('non-CIF') geothermal projects, donor countries, project developers & financiers, multilateral development banks, representatives of the CIF Administrative Unit and a few selected additional participants.
